

## Bequests

Bequests are a simple yet incredibly powerful way to provide support for the causes that matter the most to you. They transfer your Will into one of the most potent tools for change there is, with little or no impact on your lifestyle today.

Best of all, if you choose to include what is known as a residuary bequest in your Will, you'll have the peace of mind of knowing that your loved ones will be catered for without sacrificing your long-term support for Jirrahlinga Koala and Wildlife Sanctuary's fight to preserve our wildlife heritage.

## Types of Bequests

### Residuary bequest

This is simply a gift of whatever is left of your estate (or a percentage thereof) after all your other gifts, taxes and debts have been fulfilled.

As they are not specific amounts of money, this sort of bequest keeps its value regardless of inflation over the years. It means that the gift you include today is worth just as much when the time comes to put it to work supporting the work of Jirrahlinga Koala and Wildlife Sanctuary.

### Pecuniary bequest

This refers to leaving a gift of a set dollar amount determined by you at the time of drawing up or altering your Will.

### Specific bequest

This is leaving a gift of an item of specific value to be passed on to the Jirrahlinga Koala and Wildlife Sanctuary in order to generate funds.
